FOREWORD

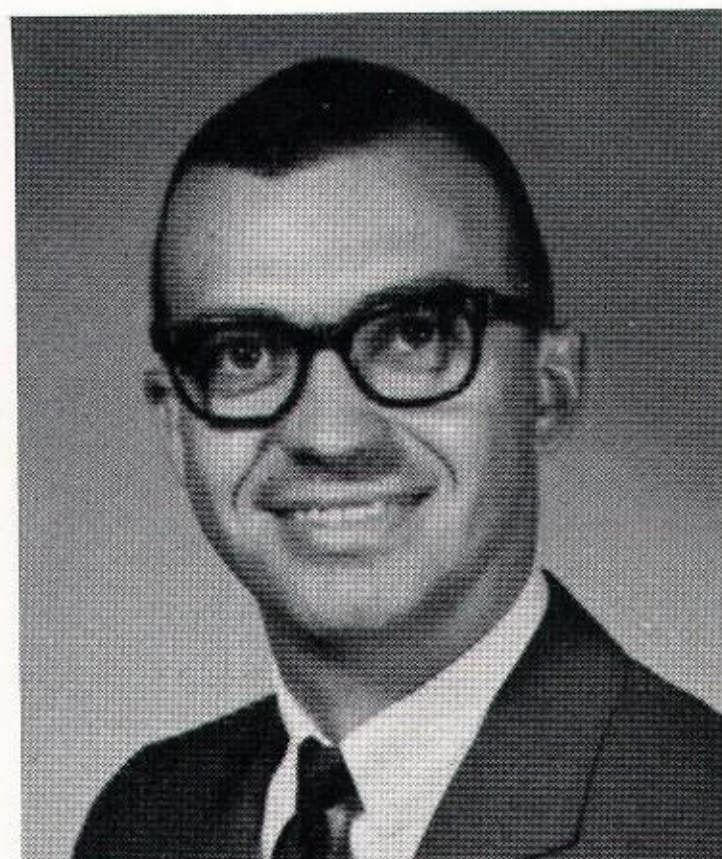

We, the graduating Seniors of the class of '65, are on the precipice of a new life. We are proud of our many accomplishments at Montgomery Area High School, and we hope that our yearbook will some day help us to recall these many pleasant memories.

It is with deep gratitude that we wish to thank our yearbook advisers: Mrs. Bower, Mr. Johns, and Mrs. Decker.

DEDICATION

MR. RICHARD W. JOHNS

We, the class of nineteen hundred and sixty-five, wish to bestow our yearbook dedication upon Mr. Richard Johns.

Though he has been with us but a few years, he has enriched our class in both scholarship and athletics. Mr. Johns starred in football at his high school alma mater. Upon graduation from Bloomsburg State College in 1961, he came to Montgomery. In his first teaching year, Mr. Johns volunteered to coach the seventh-grade football team. Two years later he became head varsity coach—a position which he holds today.

Mr. Johns instilled in his players the desire to win which will remain a part of them for many years to come. He instilled in his students the desire to continue on the road of life with a new and better view of its horizons. For this we thank you Mr. Richard Johns.

ADMINISTRATION

ADMINISTRATION

TO THE CLASS OF 1965:

All people, particularly in youth, yearn for a career of service. This yearning unfulfilled leaves life a compromise breeding restlessness and dissatisfaction, but when this yearning is pursued diligently, it creates a spiritual uplift which can take us from the depths to the stars.

We all sense, directly or indirectly, consciously or unconsciously, that to give a part of one's self in order to help another is to touch immortality.

Listen to the words of K. Gibran in his book, *The Prophet*:

And I say that life is indeed darkness save when there is urge,
And all urge is blind save when there is knowledge,
And all knowledge is vain save when there is work,
And all work is empty save when there is love,
And when you work with love you bind yourself to yourself,
And to one another, and to God.

May these words be an inspiration to you and help you down life's pathway.

Supervising Principal,

Glennwood J. Crist

GLENNWOOD J. CRIST

TO THE CLASS OF 1965:

Congratulations to you who must step bravely into a world of bigotry, bitterness, prejudice, hate, and unrest. You are prepared to contribute to mankind your wisdom, knowledge, and willingness to show courage, compassion, resourcefulness, and understanding for the people who live in our world today.

High School Principal,

A handwritten signature in cursive script that reads "William I. Troxell". The signature is written in dark ink and is positioned above the printed name.

ELEMENTARY FACULTY

TO THE CLASS OF 1965:

On behalf of the elementary faculty, I would like to express the thrill and satisfaction we have felt in seeing so many of you successfully complete your senior year.

I like to think of education as being similar to the construction of a house. Our elementary school helped you with the foundation, your high school training has helped you with the main structure. Now you should be ready to finish this educational house with specialized training, and finally make your house into a home by good living and many happy experiences.

Our best wishes to you in all your future endeavors.

"Bashful" senior boys.

Cheer up, girls, life's not that bad!

Come on, JoAnn, P.O.D. can't be that amusing.

O.K., John, we know it's you.

I told you it was wrong.

Love those elephant jokes!

STUDENT COUNCIL

Mr. Richard Shuler, Mr. Arnold Reed

The Student Council is an organization established to secure student representation in school government and to promote the student body's spirit and morale. Membership consists of one elected representative from each home room, and one from each class appointed by Council officers and the faculty advisers. The only exception is the senior class, which has five appointed members. The Student Council's annual functions are: Homecoming, Christmas Dance, and May Day. The Council is open for suggestions which students feel will better the school.

The Cheerleading season starts early in July and lasted until late in February. Our efforts to support the teams, are well rewarded when the senior members receive sweaters at the end of the year.

On October 7, 1964, Montgomery Area High School held its annual Homecoming festivities.

The queen and her court were introduced during the half-time of the Montgomery-Mifflinburg football game held at Montgomery Park. The vote of the entire student body chose Linda Woodling as 1964 Homecoming Queen with Bonnie Taylor and Bonnie Guisewhite as her senior attendants. Connie Burley also represented the senior class as Flaming Foliage Queen.

Other members of the court were Fay Levan, Judy Weikel, Sherry Bartlett, Edna Croman, and Nancy Johnson.

The homecoming game was a resounding victory with the score Montgomery 42—Mifflinburg 13 and that evening the annual Homecoming dance was held in the cafeteria.

Montgomery's football fortunes started out on the right foot this year by soundly trouncing a Troy team which went undefeated throughout the remainder of the season. But then the roof caved in and the team suffered four straight losses. Then Montgomery was given some incentive for the remainder of the season by playing good ball against a highly-rated Bald Eagle eleven. The following week Montgomery invaded Loyalsock and came home with a sound victory. The team made a gallant fight against a strong Montoursville eleven, but size and depth prevailed and Montgomery lost. The following two weeks were happy ones for Montgomery football fans because the team trounced Mifflinburg and on their final game, broke the Muncy Jinx with a decisive victory and brought the "Old Shoe" back to where it belongs.

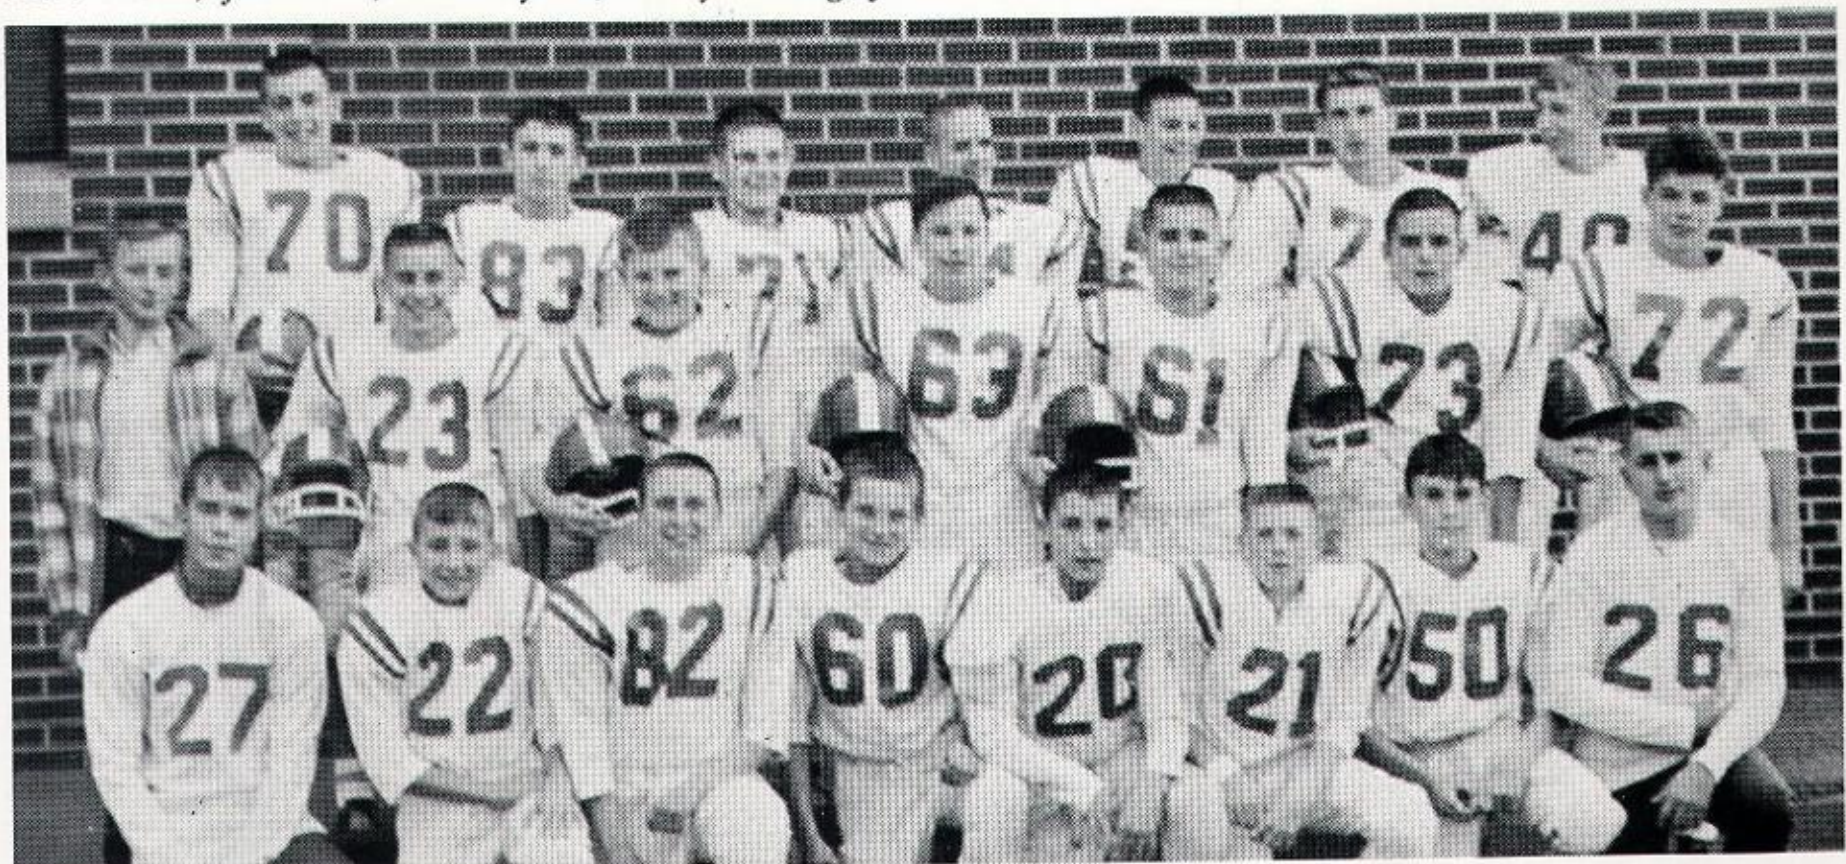

Two players, Kip Hall and Jim Ring who were outstanding during the season were chosen to play at the annual All-Star game at Danville.

VARSITY BASKETBALL

Montgomery's basketball team, hurt by a lack of height, experienced a mediocre season this year although they provided many thrills for their fans. Several times the team came close to defeating a contender for the West Branch title only to lose in the waning minutes of the game. The members of the team are to be highly respected because of their never-give-up attitude which will benefit them in their future lives.

Montgomery's wrestling team was in the first division of the West Branch league this year. They had many thrilling moments such as their third place position in the Williamsport Tournament. Two wrestlers finished first and second in the Williamsport Tournament; they are, respectively, Rod Watts and Gary McQuay.

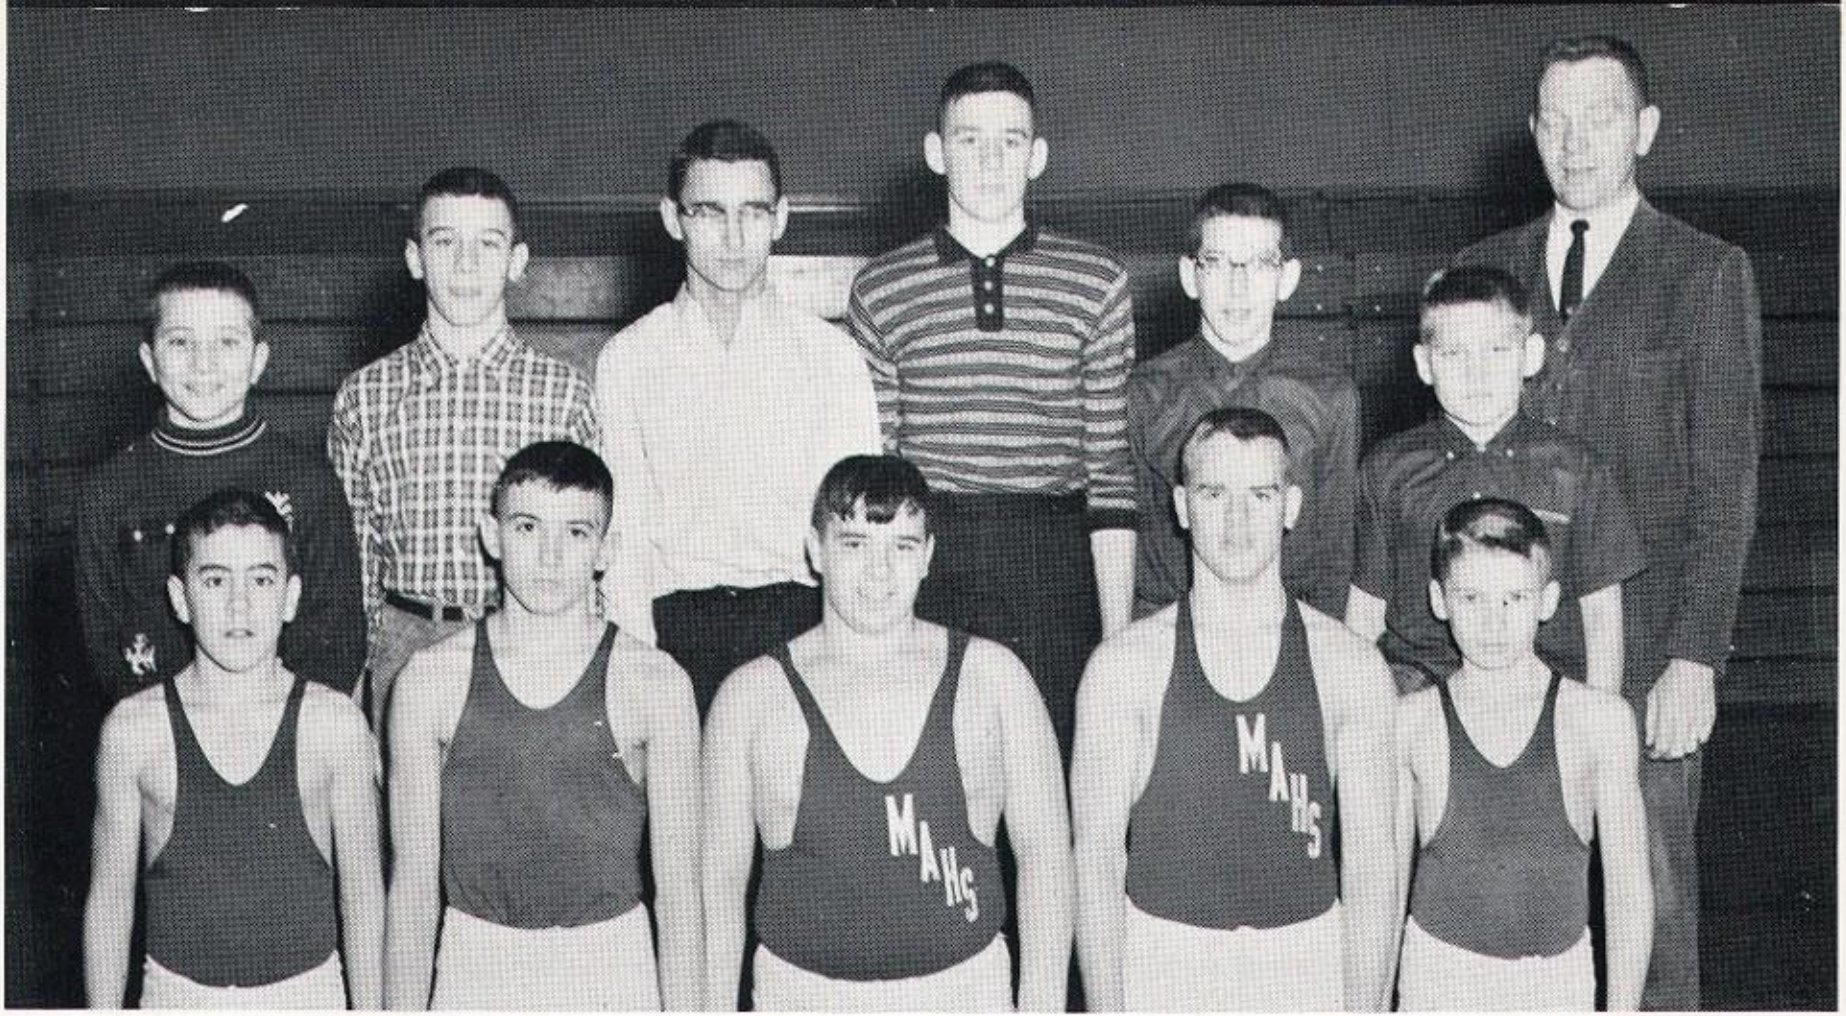

Although the wrestlers had only a small squad, they were highly spirited and gave many thrills to this school year.

This year's team, although beaten every match, made a fine showing of themselves. Due to the lack of boys out for Junior High Wrestling we had to forfeit between 30 and 40 points each match which was too much of a handicap to overcome.

There were several boys with fine records and one was undefeated. Stan Pfirman led the team with a 6-0-1 record followed by Denny Miller with a 6-1. Dave Ravert and Larry Walborn each had a 5-2 record.

ALL-SPORTS BANQUET

The annual all-sports dinner was held on March 16, 1965 in the high school cafeteria. Approximately two hundred persons attended the banquet which was sponsored by the Booster Club. After a fine dinner, the guest speaker, Mr. Robert A. Newcombe, Director of Admissions at Lycoming College, gave a well organized speech about sports. One of the main points of his speech was, 'It takes not only brawn to make a good athlete, but also a head to guide that body.'

Booster Club awards were presented to twenty-five senior athletes and four senior cheerleaders. Awards for the athletes consisted of a gold football, basketball, or wrestling charms depending upon what sport or sports the individual took part in. A gold bar was given to an athlete for each year he had lettered in his particular sport or sports. Captains of the sports were given a gold star to signify their leadership. All of the awards are to be pinned onto the red and white varsity jackets which each athlete receives for lettering two or more years in one sport.

The Senior Class would like to thank the Booster Club for its continued service to our school sporting program. We hope that this fine organization will continue to serve our school and its athletes in future years to come.
